## LOSS CONTROL AND CLAIMS HANDLING

Our depth of knowledge across our product lines allows us to provide loss control expertise not just from the perspective of the company, but that of the insured as well. With its unparalleled expertise in our product lines, our in-house claims department is able to offer the best claims service and most experienced perspective in the market. All clients will be treated with respect and have the advantage of an open line of communication. With a staff that has handled all levels of claims, we aim to take a hands-on approach that will be fair and expedient.

## ABOUT W. R. BERKLEY CORPORATION

W. R. Berkley Corporation, founded in 1967, is one of the nation's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold. For more information about W. R. Berkley Corporation please visit [www.wrberkley.com](http://www.wrberkley.com).
